

***CA Mainframe Suite for IBM® Z® Development and Test Environment (“ZD&T”)***

**Specific Program Documentation**

The CA offering(s) (“CA Offering”) listed below is provided under the following terms and conditions in addition to any terms and conditions referenced on the CA quote, order form, statement of work, or other mutually agreed ordering document (each a “Transaction Document”) under the applicable end user agreement or governing contract (collectively, the “Agreement”) entered into by Customer and the CA entity (“CA”) through which Customer obtained a license for the CA Offering. These terms shall be effective from the effective date of such Transaction Document.

**Program Name:** *CA Mainframe Suite for ZD&T.*

**1. DEFINITIONS.**

- “Licensed Mainframe Software” means CA mainframe software for which a Customer has an active entitlement from CA.
- “ZD&T Environment” means a Z Development and Test Environment (“ZD&T”) licensed from IBM to the Customer.

**2. USE RIGHTS AND LIMITATIONS.**

If the Transaction Document indicates that Customer has received a license for the CA Offering, Customer is authorized to use its Licensed Mainframe Software in the ZD&T Environment, during the term of Customer's entitlement for the respective Licensed Mainframe Software, for non-production purposes. Use of the Licensed Mainframe Software in the ZD&T Environment for production purposes is expressly prohibited. Customer must also be licensed with IBM to use the ZD&T Environment, which license governs Customer's use of the ZD&T Environment.

CA does not provide support for the Licensed Mainframe Software in the ZD&T Environment. Any issues with the Licensed Mainframe Software in the ZD&T Environment must be reproduced by Customer in a z/OS environment and reported as such through CA's standard support process for the Licensed Mainframe Software.

**3. THIRD PARTY INFORMATION AND TERMS.**

Any required third-party software license terms are incorporated by this reference and are set forth in online documentation for the CA Offering.
