

## CA 2E Product Suite Compatibility Matrices

### CA 2E Product Suite - Supported OS Compatibility Matrix

#### a) Release 8.7.1

|                         | Release 8.7.1 |           |           |           |           |           |
|-------------------------|---------------|-----------|-----------|-----------|-----------|-----------|
|                         | IBM i 7.4     | IBM i 7.3 | IBM i 7.2 | IBM i 7.1 | IBM i 6.1 | IBM i 5.4 |
| CA 2E                   | Yes           | Yes       | Yes       | No        | No        | No        |
| CA 2E ToolKit           | Yes           | Yes       | Yes       | No        | No        | No        |
| CA 2E Web Option        | Yes           | Yes       | Yes       | No        | No        | No        |
| CA 2E Translator Option | Yes           | Yes       | Yes       | No        | No        | No        |

#### b) Release 8.7

|                         | Release 8.7 |           |           |                        |           |           |
|-------------------------|-------------|-----------|-----------|------------------------|-----------|-----------|
|                         | IBM i 7.4   | IBM i 7.3 | IBM i 7.2 | IBM i 7.1 <sup>2</sup> | IBM i 6.1 | IBM i 5.4 |
| CA 2E                   | Yes         | Yes       | Yes       | Yes                    | Yes       | No        |
| CA 2E ToolKit           | Yes         | Yes       | Yes       | Yes                    | Yes       | No        |
| CA 2E Web Option        | Yes         | Yes       | Yes       | Yes                    | Yes       | No        |
| CA 2E Translator Option | Yes         | Yes       | Yes       | Yes                    | Yes       | No        |

c) **Release 8.6** (Not Under Active Support)

|                         | Release 8.6 <sup>8</sup> |           |                        |           |                        |
|-------------------------|--------------------------|-----------|------------------------|-----------|------------------------|
|                         | IBM i 7.3                | IBM i 7.2 | IBM i 7.1 <sup>2</sup> | IBM i 6.1 | IBM i 5.4 <sup>1</sup> |
| CA 2E                   | Yes                      | Yes       | Yes                    | Yes       | Yes                    |
| CA 2E ToolKit           | Yes                      | Yes       | Yes                    | Yes       | Yes                    |
| CA 2E Web Option        | Yes                      | Yes       | Yes                    | Yes       | Yes                    |
| CA 2E Translator Option | Yes                      | Yes       | Yes                    | Yes       | Yes                    |

d) **Release 8.5** (Not Under Active Support)

|                                      | <sup>5</sup> Release 8.5 <sup>7</sup> |           |                        |                  |           |                  |          |          |
|--------------------------------------|---------------------------------------|-----------|------------------------|------------------|-----------|------------------|----------|----------|
|                                      | IBM i 7.3                             | IBM i 7.2 | IBM i 7.1 <sup>2</sup> | IBM i 6.1        | IBM i 5.4 | IBM V5R3         | IBM V5R2 | IBM V5R1 |
| CA 2E                                | Yes                                   | Yes       | Yes                    | Yes              | Yes       | Yes <sup>4</sup> | No       | No       |
| CA 2E ToolKit                        | Yes                                   | Yes       | Yes                    | Yes              | Yes       | Yes              | No       | No       |
| CA 2E Web Option                     | Yes                                   | Yes       | Yes                    | Yes              | Yes       | Yes              | No       | No       |
| CA 2E Translator Option              | Yes                                   | Yes       | Yes                    | Yes              | Yes       | Yes              | No       | No       |
| CA 2E Change Management <sup>6</sup> | Yes                                   | Yes       | Yes                    | Yes <sup>3</sup> | Yes       | Yes              | No       | No       |

**Footnotes:**

1. CA 2E r8.7 can be restored at IBM i 5.4. However, new DDL functionality is not supported on IBM i 5.4. Please contact CA Support for details.
2. For information on the latest IBM i 7.1 PTFs you should have installed, please see [Problem C22E 397](#).
3. For details of CA 2E Change Management (CM) Option compatibility with IBM i 6.1 see [Problem C2CM 17](#).
4. The Web Services support in CA 2E r8.5 requires IBM i 5.4, 6.1, 7.1 or 7.2.
5. EJB Option has been formally stabilized and withdrawn from CA 2E r8.5.
6. CA 2E r8.5 has been tested and certified with Implementer 2009 (CM 8.5), Implementer 2009 SP1 (CM 8.5 SP1) and Implementer 2010 (CM 8.5SP2).  
Note that Implementer 2009 SP1 and Implementer 2010 are not available from the CA Support website - please contact MKS customer support if you wish to install one of these releases. There are two known issues at IM 2009 SP1 and IM 2010 - see problems [C2CM 20](#) and [C22E 398](#) for further details. Implementer 2008 is also compatible with CA 2E r8.5 but does not support new 8.5 features such as the Service Program and Web Service function types.
7. CA 2E r8.5 has been retired from Support, starting from November 30<sup>th</sup>, 2015.
8. CA 2E r8.6 has been retired from Support, starting from January 31<sup>st</sup>, 2019.

| 12.3                  | 7.7 190311                 | 8.6 1279             | CM 2E 8.6 1279<br>(Implementer 12.3)     | IBM i 7.2 <sup>3</sup> , 7.3 <sup>3</sup> , 7.4              | Yes               | Yes               | Yes <sup>1</sup>  |

### **Footnote**

1. The new DDL promotion functionality introduced in CA 2E r8.7 (DDL to DDL and DDS to DDL) is available with Implementer 11.0 + patch 948724/ Implementer 11.1 and above.
2. Implementer 12.2 requires International Components for Unicode licensed product (5770-SS1, Option 39) on IBM i 7.1 TR10, 7.2 TR2, or 7.3.
3. Implementer 12.3 requires IBM i 7.2 TR5+ or 7.3 TR1+ along with International Components for Unicode (5770-SS1) licensed product.
